

THE INTERIOR JOURNAL.

VOL. XXXIV.

STANFORD, KY., FRIDAY, OCTOBER 12, 1906.

NO. 60.

GOV. J. C. W. BECKHAM.

He will speak in Stanford on Tuesday afternoon, next, Oct. 16th, at 1:30. You should take advantage of the opportunity to hear him.

Herkimer James, the scientist, was talking in New York about the bill of \$25,000 that Dr. Frank Billings presented to the Marshall Field estate for several days' treatment of the dead millionaire.

"It seems a big fee," said Prof. James. "It comes to more than \$3,500 a day, doesn't it? At that rate Dr. Billings' income would be a million and a quarter a year."

"Yes, it was a big fee, but whenever physicians' fees seem extortionate I think of a certain famous eye specialist."

"Doctor, it seems to me that \$500 is a big charge for that operation of mine. It didn't take you over half a minute."

"My dear sir," the other answered, "in learning to perform that operation in half a minute I have spoiled over 11 pecks of such eyes as yours."

Wounds, Bruises and Burns.

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by Stanford Drug Co.

In a speech on the race question at Lagrange, Ga. Gov.-elect Hoke Smith said that but for the 14th amendment, Negroes would be restricted in Georgia as are the Indians by the National Government. He advocated stricter vagrancy laws and said the blacks should be taught that honest labor on their part is more important than knowledge acquired from books.

The Kentucky State Development convention convened in its fifth annual session at Winchester Wednesday with the Hon. William Lindsay as chairman. The session will continue three days. Addresses are being delivered by prominent men from all over the country.

As the result of a joke on his wife, Charles Smith, mayor of the little town of Brooklyn, W. Va., is believed to be dying and Mrs. Smith is also fatally wounded. Smith had a man dressed up as a woman and called him out to the gate. Mrs. Smith maddened by jealousy, shot her husband through the stomach and lung and then shot herself.

Prewitt to appear in Frankfort and show reasons for the removal of Col. Biscoe Hindman, agent for the company in this State, has wired the commissioner that he will be unable to appear before him on Saturday next, the date fixed, and Commissioner Prewitt has set Oct. 16-20 for the hearing. Penbody says he will be on hand then.

Gov. Luke P. Blackburn, whose reputation as a physician and philanthropist is too well known to need further comment, once said "Concentrated Crab Orchard Water is the best aperient known to the medical profession and will cure more diseases than any one remedy I have ever used." Get a bottle of White's Diamond Brand Crab Orchard Water. For sale by all druggists and country stores.

"That was a tender-hearted young lady that stopped and spoke to me after the services to-day," observed the rector. "She seemed to be filled with sympathy for the farmers, for she asked me to pray for rain."

"Who? That Vibbers girl?" asked the rector's wife. If she isn't the hypocrite! Why, I saw her buying fancy silk hosiery at a bargain sale yesterday. And she wants you to pray for rain!"—Detroit Free Press.

Sick Headache Cured.

Sick headache is caused by derangement of the stomach and by indigestion. Chamberlain's Stomach and Liver Tablets correct these disorders and effect a cure. By taking these tablets as soon as the first indication of the disease appears, the attack may be warded off. Get a free sample and try them. For sale by Stanford Drug Co.

"I would think," said the reporter, "that the people would like to know how you managed to live to such a great age."

"By perseverance," replied the centenarian. "I jest kept on livin'."

Henry E. Jones, of Tampa, Fla., writes: "I can thank God for my present health, due to Foley's Kidney Cure. It is a pleasure to recommend it to those needing a kidney medicine." Penny's Drug Store.

HUSTONVILLE.

F. M. Sims, of Olympian Springs, has sold his Green River bottom farm to Sam Bell at a good price. Mr. Sims will use the means to increase his hotel and bath room accommodations.

The healthy financial condition of our end of Lincoln county is shown by the deposits in our two banks, which amount to fully \$150,000. The deposits in our National Bank are up to their standard, while the Peoples Bank continues to increase by getting business from territory that formerly did business elsewhere.

IS YOUR SIGHT FAILING?—The most precious of the five senses, eyesight, is too often neglected until everlastingly beyond recovery. If your eyes burn, smart, become red, or ache, they are sounding a note of alarm. Go to an oculist of acknowledged ability. Dr. G. Goldstein, of Louisville will be at the Weatherford Hotel, Hustonville, to-day and to-morrow, Saturday.

The music lovers and students of this vicinity, and there are many, are to be congratulated upon securing the services of Miss Clare Hare, of Cincinnati Conservatory, as teacher of piano at the graded school. Her admirable methods with her large class evidences the deserved success which she enjoys. Her renditions have that unmistakable element of universal appeal to the musical souls that hear her. Her class is making remarkable progress, in fact much better than with any former teacher here.

It is announced that the government will look more carefully to the enforcement of its rule regarding the roads over which rural free delivery is established. The present requirement is: "Roads traversed shall be kept in good condition for comfortable travel and unobstructed by gates, and unbridged creeks not fordable at any season of the year." The government has decided that unless the roads traveled by the carriers are properly maintained the service will be withdrawn from all or from that part not kept in proper condition. The postoffice department now calls on the carriers, of which there are 645 in Kentucky, for reports on their roads and will stop the service where the highways in question are bad.

MATRIMONIAL.

Dr. William Wait and Miss Daisy Soule, popular young people of Somerset, were married Wednesday. They left immediately for Indian Territory, where they will locate.

Mr. and Mrs. John B. Foster have issued invitations to the celebration of the 20th anniversary of their marriage. It will occur at their beautiful home on Knob Lick pike from 8 to 12 Friday, Oct. 19th. It promises to be not only a delightful occasion but a very swell one.

Mr. Jones Adams Baughman, of Hustonville, and Miss Ada Cunningham, of the Rolling Fork section, were married in Danville Wednesday morning, Rev. T. H. Coleman, of the Baptist church, officiating. They left at once for a Southern tour, including Atlanta and a number of other cities. They will be gone some two weeks and on their return will be at home to their friends at Moreland. Mr. Baughman is the eldest son of Mr. John K. Baughman and is a prosperous and industrious farmer. He has lots of friends all over the county, who are awaiting his return that they may congratulate him on the jewel he has won. His bride is the charming daughter of Mr. and Mrs. George J. Cunningham and is not only an exceedingly handsome young woman but is highly accomplished and very popular. Truly can it be said of her that those who know her best love her most. We join their hosts of friends in wishing the popular young couple all the pleasures that can come to a happily married pair. Mr. Baughman told us Sunday last of his matrimonial intentions but asked us to withhold mention of it until to-day's paper.

Advice to Housewives.

No home is so pleasant, regardless of the comforts that money will buy, as when the entire family is in perfect health. A bottle of Orin's Laxative Fruit Syrup costs 50 cents. It will cure every member of the family of constipation, sick headache or stomach trouble. Penny's Drug Store.

The Tenant—Say, last night, the rain came through the roof and gave me a regular shower bath. You ought to do something.

The Landlord—What do you expect me to do? Give you soap and towels?—Brooklyn Eagle.

Snow fell in all sections of Kentucky Wednesday, but the flakes were scattering and the fall was everywhere light. The day was unseasonably cold throughout the State and in many sections of the country the October temperature record was broken.

Richard Bell, of Paducah, was wounded by a Negro tenant whom he sought to frighten.

Democratic Ticket.

For Congress.

HARVEY HELM

of Lincoln county.

That William Randolph Hearst is a catchy speaker no one will deny after reading the following excerpt from one of his speeches in New York City: "I feel sure that I could have been more popular with my fellow newspaper proprietors, if, when invited, I had been willing to enter into trust with them to raise the rates to advertisers and keep down the wages of employees." Just think of the thousands of merchants and working men that will ponder over this statement. The merchants know Mr. Hearst's paper has the circulation and his low advertising rates will catch them; the working men will tumble at once to what he says about good wages.

ALL known Democrats who will be legal voters on the 6th day of November, 1906, and who have registered as Democrats in precincts where registration is required by law, and who shall have first voted in the general election held upon said day for a member of Congress, shall be entitled to vote in said primary. The Executive committee decided not to compel the election officers to propound the question, "Have you voted for the Democratic nominee for Congress?" The change will more than likely cause the Democratic nominees for Congress to lose some votes.

EXCLUSIVE of the grounds, the new capitol at Harrisburg, Pa., cost \$13,000,000. The cost of the capitol at Washington, which covers four acres, was a little over \$13,000,000. The cost of the Congressional Library, covering 3 1/2 acres and undoubtedly the finest structure in the country, with all its beautiful adornments (including \$585,000 paid for the site), was \$6,032,125. There is no comparison between the Pennsylvania building and the other two in beauty and cost. Charges of graft seem to be well founded, and the whole State is rising in arms over the colossal steal.

IN the drawing for positions on the ballot before the sub-committee yesterday at Louisville, Little Miss Virginia Hayes, of that city, drew the names out of the hat as follows: For Governor, N. B. Flays first, S. W. Hager second; Senator, J. C. W. Beckham first, J. B. McCreary second; Attorney General, J. K. Hendrick first, Lillard Carter second; Commissioner of Agriculture, R. C. Crenshaw first, J. W. Newman second; Superintendent, M. O. Winfrey first, E. A. Gullion second.

THERE is nothing so often overestimated as a man's wealth. A case in point is that of Senator Gorman, of Maryland. His wealth was variously estimated at from \$3,000,000 to \$20,000,000. Coming down to facts, the inventory of his personal estate reaches only \$612,406. And now people are greatly surprised, as usual. It generally happens that the richer a man is reputed to be the greater is the exaggeration. There are few exceptions to the rule.

THE friends of Senator McCreary are seemingly giving themselves more concern about the letter one Noel Gaines charges that Percy Haly wrote to Judge Lassing than Gov. Beckham's followers are. The latter are willing to wait and see whether the letter is a forgery or genuine; the former accept it as true as they do the report that the governor is not only a drunkard but unkind and inhuman to his family.

GOV. BECKHAM, who is charged by his political enemies and others with almost every crime save murder, will speak here at 1:30 next Tuesday afternoon, 16th. Come and see if you think the silly charges against him are true. Whether you are for him, it matters not. He is a pleasing speaker and the time will be pleasantly, and perhaps profitably spent.

THOMAS W. LAWSON says nothing barring a miracle can prevent the election of Hearst. So note it be.

POLITICAL.

Dr. W. C. Black, of Barbourville, will be a candidate for Railroad Commissioner.

A decision to complete work on the Panama canal by contract has finally been reached by the commission in charge of the undertaking.

An executive order putting the 1,100 deputy collectors of internal revenue under civil service regulations is expected to be made by Jan. 1.

Senator McCreary, accompanied by a band, arrived this morning, just ahead of the first snow of the season. A big crowd was in town to hear him, says a dispatch from the dispatch that Mr. McCreary carries music other than chin music during his campaign.

Kinetoscope pictures of William R. Hearst and phonographic reproductions of his speeches are to be sent to rural communities in New York State where Mr. Hearst will be unable to appear in person.

John S. Adair was nominated by the republicans of the Second Kentucky district as their candidate for Congress, but it is claimed that the name of Paul Moore is the only one which can go on the ballot.

Gen. J. Franklin Bell is to command the American military forces in Cuba. Gen. Funston will leave Saturday with Secretaries Taft and Bacon and the affairs of Cuba will be left in control of Gov. Magoon and Gen. Bell.

Senator J. W. Bailey has made a proposition to the Attorney General of Texas to assist him in representing the State in the matter of prosecuting the Waters-Pierce Oil Company, as a part of the Standard Oil Company.

Senator McCreary said in one of his speeches that if Gov. Beckham were elected to the United States Senate he is so young he would have no one to play with. To which Gov. Beckham responded, if the Senator had played less and worked more he would have a better account to give of his service. The treat seems to be on the Senator. —Frankfort Journal.

It is reported that the saloon interests will not put up any fight. An election on the same question will be held in Clay county Dec. 3. There are now about 300 mechanics employed in the new Q. & C. shops, which opened recently. Many more arriving daily and it is no trouble to get work, as the shops need about seven or eight hundred more men. Good wages are being paid and many more are expected this month. —Somerset Journal.

AN ODD SHOW.—The famous Brothers Royer Next Door Co., is without a doubt the queerest combination of its kind in America. The piece is odd, the scenery is odd, and the cast includes the most famous clowns in America, such as Lon Moore, Shorty Maynard, Sydney Shepero, James Royers and Archie Royer. All five have played down for Walter E. Main, Barnum & Bailey, Ringling Bros., and the great Wallace Show for the past 10 years. They should certainly keep things moving at a lively pace in "Next Door." At Walton's Opera House Tuesday evening next, 18th.

It is reported that some Stanford capitalists are figuring on buying F. M. Sims Olympian Springs and making an up-to-date health resort out of it. We believe it would prove a capital invest- ment.

Mrs. Long will sing at Walton's Opera House some time dur- ing the last of this month or the first of November, the proceeds to go toward buying an organ for the Christian church.

JUDGE WARREN says he did not say in his introduction of Gen. Hays that he would only support Judge Hager for governor when he is compelled to. It matters very little one way or other, but we understood the judge to say it or we would have never quoted him as we did. If he proposes to vote democ- ratic next year, and we opine that he does, he will be compelled either to support Judge Hager or winter his votes. Which will he do?

THE fun is fast and furious from the rise of the curtain to the end. Special mention should be made of the wonder- ful and novel mechanical tricks and ef- fects—the trolley car, the trick bathing houses, the marvelous revolving scene, the funny trick mule, the demon crab, the magic wall, the flying dives, be- witched house and the trolley explosion are all marvels of stagecraft. See them all in "Next Door" at Walton's Opera House next Thursday night, Oct. 18.

KINGSVILLE.

Mrs. Fount Dishon went to Lexington Sunday to be with her husband, who was cut by one of the Harris boys.

C. L. Holmes was here Tuesday. J. Ed Boland, of Burnside, was here this week. Hons. W. S. Burchard and J. M. Alverson, of Stanford, were here last week.

Mr. Tom M. Meeks is making a splendid postmaster. He is proving a worthy successor to our efficient and accommodating ex-postmaster, J. L. Johnson. The postoffice will be moved into the Thompson building.

The little baby of Mr. and Mrs. Jas. Burton is ill. Dr. B. F. Walter, of Lancaster, was here last week. Tusco Waters leaves to-day for Shreveport, La. Miss Maggie Routen has returned to Lexington, having spent the summer with her brother and sisters here.

Mr. and Mrs. John Hart took possession of the hotel Tuesday and will doubtless keep up the reputation of the good little hostelry so long sustained by others. Mr. and Mrs. W. W. Walter, occupants for the past two years, have moved into the "Pink Cottage" adjoining the hotel.

Morris Walls' new dwelling on the pike is nearing completion. Mrs. Sarah Waters is having a new dwelling erected. Mrs. Margaret Camden will move to Eubanks. Marion Williams and wife will occupy the Camden home here. Mrs. Robin Rigney has been ill but is now thought to be improving.

A wreck occurred in the tunnel early Monday morning. One of the cars of a Southbound freight was derailed. There was very little damage but a tremendous blockade followed during the day and the town was literally full of railroad men; the officers and train crews. The hotels and restaurants were over-run.

Kings Mountain is again to have a change in agents. Our present clever station agent, Mr. Jennings, will be succeeded by Manfred Gooch, a brother to Cecil Gooch, who is holding down the tower. The former is at present working nights at the tower, "Pete" Bastin having been sent to Burgin. Still other changes are to be made for the winter.

Dr. C. M. Thompson has lately become the possessor of a handsome hotel at Celina, Ohio. The doctor traded his farm at South Fork and a small tract of land near Kingsville for the hotel as a matter of speculation. He will not leave here but with his brother will continue in the mercantile business and will move into their new building this week. This new store is to be lighted by gasoline. Men from Lexington were here last week putting in a number of lights, which were very soft, and brilliant and that part of Kingsville shows up well.

It is reported that H. C. Thompson has sold the sorrel horse he recently bought from R. M. Jackson to Eastern parties for \$1,500. Capt. R. M. Jackson and J. C. Rinehart have bought the interests of other stockholders, and are now the sole owners of the \$3,000 German Coach horse.—London Local.

An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy, which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussard, Brubaker, Ill. This remedy is for sale by Stanford Drug Co.

MIDDLEBURG.

Mrs. Ethel McWhorter is quite sick at her home on Indian Creek. Dr. J. T. Wesley went to Owensboro Tuesday to attend the State Medical Association.

The Sunday School convention for this magistrical district will be held at Turkey Knob school house Saturday, Oct. 20, instead of Sunday, 21st, as reported.

Miss Lynn Hansford returned from Liberty yesterday. Miss Minnie Hansford and Mrs. Sarah Hatter went to Somerset Tuesday. Mr. and Mrs. S. G. Elliott were here one day last week looking for a location. Uncle Ike Cowan, who has been confined to his room with rheumatism, is much improved. D. A. Thomas is here nipping with his many friends, and fishing. He and Geo. Alford caught a fine string Monday.

The school election here Saturday was the most interesting one ever held in this district. Heretofore it has been almost impossible to get enough voters to attend to elect a trustee, but this time the question of a tax to extend the present school term brought out nearly every voter in the district. The anti-taxites worked hard and won out by a majority that precludes all possibility of a contest. Those who favored the tax took their defeat good humoredly and no hard feelings were engendered by the contest.

WHAT'S THE USE?

What's the use of looking gloomy,
Cause the snow is coming down;
What's the use of always frowning,
With a snarl and a frown.

It don't make matters better,
It don't help a bit,
Just go along a smiling,
And make the best of it.

Don't always fume and fret,
If the weather don't suit you;
Put a smile upon your face
So we'll think you're never blue.

Always have a sunny smile
Where ever you may go.
Think that brighter days are coming,
If to-day we have the snow.

Notice of Election!

Regular April term, 1906, Lincoln County Fiscal Court and pursuant to an order of said court this April 4, 1906, Present Hon. R. C. Warren, Judge, presiding, with the following justices of the peace, to-wit: Dr. R. Adams, W. M. Dunder and W. B. Hill.

It was moved by Justice W. M. Dunder and seconded by Justice W. B. Hill that the following action be taken by this court: The grand jury of Lincoln county at the last term of the Lincoln circuit court, having recommended a new court-house for Lincoln county, and it appearing to the satisfaction of this court that the court-house now in use, is unsafe and inadequate for the public convenience and the preservation of the public records, it is ordered and adjudged that the sum of money be suggested as the sum necessary to build a new court-house, and it is further ordered that an election be held, and a poll opened, at the several voting precincts in Lincoln county on the 6th day of November, 1906, the day of the next general election, at which the appropriation, above suggested, shall be submitted to the legal voters of Lincoln county for their approval or rejection.

The sheriff of Lincoln county is directed to advertise said election for at least 30 days next before the day thereof, in the Lexington JOURNAL, newspaper, being the only newspaper published in Lincoln county, and the officers of said election are directed to hold the election between the same hours that they are required to hold elections for county officers, which election shall be held and conducted in all respects as required by the general election laws in force in this state at the time the same is held.

The clerk of the Lincoln county court shall cause to be printed on the official ballots, to be used in said election, the words and figures: "Are you in favor of an appropriation of \$10,000 to be prepared by the word 'Yes,' and have two spaces upon the right of same, one for voters favoring the appropriation, to be designated by the word 'Yes,' and one for voters opposing the appropriation to be designated by the word 'No,' and said clerk shall prepare said ballot in all other respects as required by section 126 of the Kentucky statutes.

In the event that the requisite number of legal voters of Lincoln county vote in favor of said appropriation, it is ordered that this court cause the bonds of Lincoln county to the amount of \$10,000 to be prepared, executed and issued on printed forms under the seal of the county, to be signed by the presiding judge of the Lincoln county court and be countersigned by the clerk of said court, payable to bearer at Lincoln County National Bank, of Stanford, Ky., 30 years from the date of same with the option of paying same in 15 years from date, which bonds shall not bear a greater rate of interest than four per cent. per annum payable semi-annually at Lincoln Co. Nat. Bank, of Stanford, and interest coupons shall be attached to said bonds, signed by the clerk of the Lincoln county court. Said bonds shall be taken in full payment of said appropriation and the same were issued on said motion and the same were passed unanimously, all of the justices and officers of said court, to-wit: R. C. Warren, W. M. Dunder and W. B. Hill, being a quorum of this body.

A Copy Attest: G. B. COOPER, Clerk Lincoln County Fiscal Court.

By E. D. Pennington, D. C.

Notice is hereby given that in obedience to above order of the Lincoln County Fiscal Court adopted April 11, 1906, which order is made part of this notice by reference, an election will be held and a poll opened at the several voting precincts of Lincoln county on the 6th day of November, 1906, for the purpose of submitting to the legal voters of Lincoln county the question whether or not the sum of \$10,000 shall be appropriated for the purpose of building a new court-house for Lincoln county, which election will be held in all respects as required by law and said order.

HOSPITAL PHYSICIANS SAID: "IT WOULD DELIGHT US TO FIND SOMETHING TO CURE THIS DEAR OLD SUFFERER."

Mr. F. W. ROSE, St. Louis, Mo. HIRSHMAN, IND., Nov. 20, 1905.

DEAR SIR: The charity patient in whom I am so much interested was seventy-five years old at the time she began the use of "Zemo," and her weight was 130 lbs. Her health has been poor for some time past, suffering mainly from indigestion, according to the diagnosis of the doctors in attendance. She has been a hard worker all her life, but has made the living for her family keeping boarders. Some time over a year ago she began to trouble her. It gradually grew worse and worse until her entire body was affected, the legs being a mass of sores constantly separating. The itching and burning sensation was so dreadful at times that it was impossible for her to sleep day or night. The doctors (two of our best) pronounced the case incurable, and when I asked permission to use "Zemo" (as you said, "It would delight us to find something to cure this dear old sufferer") "Zemo" was first used on the upper part of the body and soon relieved the patient of the terrible distress caused by the itching and burning. The doctors had been dressing the legs every day, but as soon as they saw the wonderful change in the skin where "Zemo" had been used, they gave consent to have it used on her legs. Gradually they began to improve and are now almost as smooth as the face. It was probably about a month before much relief was experienced in this part of the body, then skin peeled off, itching, burning and aching gradually ceased. It seems now as if a testimonial might be given, but the patient thinks that she had better use "Zemo" a few weeks longer before saying that she is cured. However, she is very grateful to all who have been instrumental in securing your wonderful remedy and thinks that it is her great future before her.

Respectfully,
(MRS.) MARY PERRY BELLIS, Nurse in Hospital, No. 208 N. 5th St.
